## GD4210 – Single Monitor Support\* for Portegra2 Systems

The GD4210 can easily hold one monitor up to 27" (some up to 31"). The large curved handlebar protects the monitor and provides a means for quick & easy positioning. Combined with the mobility and safety of the Portegra2 suspension arm, the GD4210 offers the user a worry-free and flexible application.

- **Application** Monitor support with handle, VESA 75/100 adapter for one display/monitor, external cabling
