Addendum - Cover / Housse stérile STEA-WD261

1. Insert your hands into the cover on the side of the welded seam and spread your fingers.

1. Introduire les mains dans la protection, côté soudure et écarter les doigts.

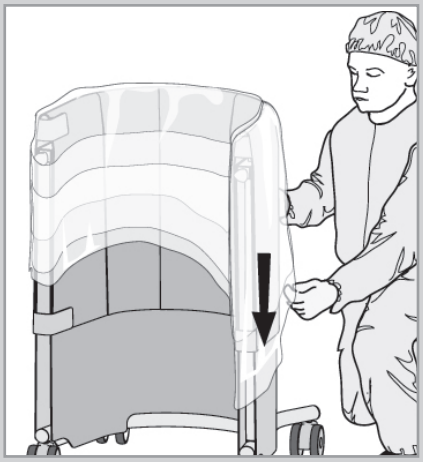

2. Turn one of the sides of the cover upside down and roll it over the top edge of the WD261.

2. Tourner un côté de la protection vers le bas et le rabattre au-dessus du bord supérieur.

3. Roll over the rest of the cover along the top edge.

3. Ensuite rabattre le reste de la protection le long du bord supérieur.

4. Unfold the cover over the WD261.

4. Déployer la protection sur le WD261.
